1. **Product and Company Identification**

Product/Trade Name: Adhesive Tape Remover Pads  
Manufacturer's Name: Sion Biotext Medical Ltd.  
Manufacturer's Address: Hagoshrim 12225, Mobile Post Upper Galilee. ISRAEL  
Emergency or Information Phone No.: 00972-4-69565201 during normal working hours. At other times, contact the local Poison Control Centre  
Chemical Name: Mixture

2. **Composition/Information on Ingredients**

This product does not contain known carcinogenic ingredients.  
This product does not contain chlorinated hydrocarbons and it is not harmful to the ozone layer.

3. **Hazards Identification**

Table No. 1: Composition Information of hazards materials

Material Safety Data Sheet
Adhesive Tape Remover Pads

Effective Date: Aug, 2015

Category:
A- > 50%
B- 10-50%
C- 9.9-1%
D- 0.1-0.9%
E- <0.1%

The above ingredients are raw materials that undergo processing, dilution and absorption into a non-woven pad and enclosure in a pouch. Upon completion of the manufacturing process the material does not possess the occupational health risks associated with the exposure to undiluted SD Ethanol 40, Polyaminopropyl Biguanide, Methylparaben, Butylparaben, Ethylparaben, Propylparaben, Isobutylparaben and Phenoxyethanol.

Health Effects
Swallowing: Liquid may be harmful if swallowed. May cause nausea, diarrhea, drowsiness, fatigue or loss of coordination.
Skin Contact: Prolong contact may cause mild irritation.
Inhalation: May cause irritation to the respiratory track.
Eye contact: May cause eye irritation. Symptoms include redness, tearing or burning.

4. First Aid Measures

Ingestion: Induce vomiting, obtain immediate medical attention.
Skin contact: If irritation occurs, stop using the wipe.
Inhalation: If irritation occurs, stop using the wipe. Remove person to fresh air.
Eye contact: Flush eyes with water and continue washing for 15 minutes. Remove contact lenses if worn. If needed, obtain medical attention.

5. Fire Fighting Measures

Extinguishing Media
Suitable extinguishing media: Dry chemical, carbon dioxide, foam fog.
Extinguishing media who must not be used for safety reasons: None

Unusual Fire and Explosion Hazards
Not known

Protective Equipment for Fire-Fighting
Wear full protective clothing and self-contained breathing apparatus.

6. Accidental Release Measures

Soak up liquid with inert absorbent material.
Sweep up and shovel into suitable containers for disposal.
7. **Handling and Storage**

**Handling:** Avoid contact with eyes. Use with adequate ventilation.  
**Ventilation:** General {mechanical} room ventilation is expected to be satisfactory where this product is stored and handled in closed equipment.  
**Storage:** Keep product in dry storage area at room temperature

8. **Exposure Controls/Personal Protection**

**Engineering measures:** No specific engineering measures are necessary.  
**Respiratory protection:** Normal room ventilation is adequate.  
**Eye:** None normally required. Avoid direct eye contact.  
**Skin:** None normally required.

9. **Physical and Chemical Properties**

**Characteristics of the solution:**  
Colour: Milky  
Form: liquid absorbed onto a non-woven pad.  
Odour: Perfumed  
Specific Gravity: 0.950 – 1.0505 g/ml  
Water solubility: in all proportions.  
Solubility in ethanol: Soluble in all proportions.  
PpH: N/A

10. **Stability and Reactivity**

**Stability:** No decomposition if stored and applied as directed.

11. **Toxicological Information**

The product contains no substances classified as hazardous to health in concentrations that should be taken into account.

12. **Ecological Information**

**Degradability:** This product is biodegradable apart from the pouch. This information is estimated on the basis of the MSDS of the raw materials contained in the product and/or of structurally comparable substances.

13. **Disposal Considerations**

If recycling is not practicable, dispose of in compliance with local regulations.
14. **Transport Information**

Not classified as dangerous in the transport regulations.

15. **Regulatory Information**

**International Regulations:**
Classification and labelling have been preformed according to EU directives 76/168/EEC as amended and adapted or USA directives, or respective national laws.

**European Communities Dangerous Substances/Preparations:**
Risk phrases:  
R22 - Harmful if swallowed.  
R36 – Irritating to eyes.  
Safety phrases:  
S2 – Keep out of the reach of children  
S20/21 – When using do not eat, drink.  
S26 – In case of contact with eyes, rinse immediately with a plenty of water and seek medical advice.  
S46 – If swallowed seek medical advice immediately and show this container, label or MSDS.

16. **Other Information**
